## "Hittin the Trails with the Prez!"

As anyone in our sport knows, snowmobile clubs took a huge hit on the money we receive back from the state snowmobile trail fund.

Registrations are down to approximately 91,000 registered sleds which means that the snowmobile club's reimbursement money will be cut almost in half. For a relatively new club like the Turin Ridge Riders, this is going to "Leave A Mark".

We took on more trails to bring in additional income, but also purchased another groomer to help maintain these trails.

TTR's original groomer is 25 years old and will need to be replaced in a few years. Diesel fuel prices continue to go up as well as everyday supplies needed to keep the club operating.

Please remember that without your support, you would not have a groomed trail system. So please, support the Turin Ridge Riders!

I hope everyone has a great holiday season and remember,  
*lets all be safe on the trails.*

**TRR ROCKS!  
Skip**
